

Bloomer's Baskets 'n More

Skip the Shopping

In December, 2020, mother and daughter, Dorothy and Jackie Bloom founded a new business venture “Bloomer’s Baskets ‘n More”, an e-based business providing gift baskets for all occasions: for her, for him, for children, for families, for businesses. There are a variety of standard baskets from which to choose, or requests for custom baskets can be discussed, making your shopping simpler and safer. The business is licensed allowing for the sale of alcohol with baskets. Handcrafted unique gifts will be added to the site as they become available.

Porch pick-up from either Hastings or Cavan, local deliver for a small fee, and shipping within Ontario through Canada Post are all options. All gifts shipped via Canada Post are shipped in cardboard boxes (no baskets).

Visit their website at bloomersbasketsnmore.com or their Facebook page “Bloomer’s Baskets ‘n More” or email jackie@bloomersbasketsnmore.com for more information.
