

Thank you to all members for the continued financial support to both Bailieboro-Springville United Church (BSUC) and Millbrook-Cavan United Church (MCUC) during these unsettled pandemic times. While a few expenses have decreased over the past two years, most have remained the same and even increased so your support is as important now as any other time.

Contributions may be made in one of three ways:

- 1) By cheque mailed to your Treasurer
- 2) By e-transfer
- 3) Through the Canada Helps link found on the home page of the Harmony Pastoral Charge website*

Instructions on how to manage your contribution using the first two options can be found below.

Just a reminder that your contributions may be directed all or in part to UC Mission & Service or any community project you wish to support. Simply write a note on your cheque, or add a note to your e-transfer or Canada Helps donation. Some examples of local projects are: Community Care, Food Share, Habitat for Humanity, Millbrook-Cavan Libraries, etc., and most recently the sandwich project in support of One Roof Community Centre (spearheaded by Rev. Lynda).
